

**Step 1** Purchase your **Community Health Screenings Voucher**

- In person from the hospital cashier or patient registration staff
- Via phone by calling 419-294-4991, ext 2291

**Step 2** **For Blood Draws:** Present your Voucher at the locations, days and times indicated below

**For Dexa Body Composition Scans:** Phone the number listed below to schedule your scan

## Blood Draws

- \$35 – automated CBC, full lipid profile, basic metabolic panel & AST/ALT**  
blood test includes hemoglobin, white cell count, total cholesterol, HDL, LDL, triglycerides & ratio, glucose (blood sugar), electrolytes, kidney function and liver enzymes • *for the most accurate results, please fast 12 hours prior to the test*
- \$25 – TSH & Free T4 (thyroid)** – blood test for thyroid function • *no fasting needed*
- \$20 – A1C (estimated average glucose)** – Test for average blood glucose control for the past 2-3 months • *no fasting needed*
- \$15 – PSA (prostate)** – blood test for prostate-specific antigen • *no fasting needed*
- \$60 – COVID Antibody Testing** – blood test looks for COVID-19 antibodies in the blood, which means there has been a *previous* infection • *no fasting needed*

**Your voucher may be presented at our in-house lab or our convenient lab drive-thru**
