Medical Care & Testing for COVID-19

People with these symptoms may have COVID-19: fever or chills • cough • fatigue • headache
shortness of breath or difficulty breathing • muscle or body aches • sore throat
loss of taste or smell • congestion or runny nose • nausea or vomiting • diarrhea

If you **have an order for testing** from your primary care medical provider, you will be tested at our Lab Drive-thru

- The Lab Drive-thru offers COVID testing Monday-Friday from 9 am-3 pm and pre-registration is required
- Phone 419-294-4991, extension 2291, to pre-register
- The Lab Drive-thru is limited to ages 16 and older

If you **do not have an order for testing** but are exhibiting symptoms of COVID-19, Contact your medical provider **OR** Report to UrgentCare **OR** Report to the Emergency Department

The Ohio Department of Health offers **free testing for asymptomatic individuals** at its pop-up testing sites or at retail pharmacies offering testing. Visit the ODH COVID-19 website for complete details.

Antibody Testing if you think you *had* COVID-19 is available at our Lab Drive-thru for \$60. The blood test looks for COVID-19 antibodies in the blood, which means there has been a **previous** infection. WMH offers Antibody Testing for COVID-19 as a special outreach project, so no physician's order is needed & no insurance plans are billed. Phone 419-294-4991, extension 2291, to pre-register for the Lab Drive-thru.

Please go to UrgentCare or the Emergency Room if you are in need of immediate medical care
